

We Must Touch the Heart

By Michael Naylor

C E7 Am
We must touch the heart to awaken it

F G7 C C7
We must sow the priceless seed

F G7 E7 Am F D
Prepare the heart with the warmth of His love

Dm7 C G7 F C
As the sun prepares the soil

Don't oppose your brother's ideas
Please don't insist they are wrong
Be gentle as you open his heart
To the Glory of God

When you meet a man who can't understand
All the things you say and do
Reach out your hand, try to show that you care
Don't let words exceed your deeds
