

Yes I Believe You

By Nicolas Tchamegni

 G C G
You tell me about this new Age
 D D7 G
How thrilling the world ought to be
 G G7 C Am
You tell me that mankind is one family
 D D7 G
And that there is a way to world peace

CHORUS:

 G D D7 G
Yes I believe you, yes I believe you
 G G7 C Am
Yes I believe you, I believe you
 D D7 G
I believe you with all my heart

You talk of a new race of men
People who have all their trust in God
Men and women who are doing their best
To bring divine unity to all

CHORUS

You say that the Glory of God
Over a hundred years ago
Came to fulfill all God's promises to man
And usher in a new golden Age

CHORUS
